Vision

"At Smart Guide Gen. Con. & Maint. L.L.C, we are poised to set the standard as market leaders in Fit-out, Civil, and MEP contracting, along with related services. Our relentless pursuit of excellence is fueled by a commitment to continuous improvement, driven by the vision and integrity of our top management, the spirit of teamwork, and the innovative prowess of our people. Our vision serves as more than just a statement; it's our guiding framework, mapping out the path toward sustainable quality growth in every facet of our operations. By prioritizing customer satisfaction, fostering a culture of innovation, and upholding the highest standards of integrity, we're not just building structures; we're crafting enduring relationships and shaping the future of construction excellence. Join us on this journey toward unparalleled success."

Mission

At Smart Guide Gen. Con. & Maint. L.L.C, we're driven by our vision to deliver top-quality, cost-effective solutions on time, enhancing client satisfaction through continuous improvement. Our focus on safety, quality, service, delivery, and environmental protection ensures excellence in every project. Experience the difference with Smart Guide – where quality and client satisfaction come first..

Organization Chart

Our Service

INTERIOR FIT-OUT

At Smart Guide, our expert team specializes in transforming spaces into captivating environments through meticulous planning, innovative design, and flawless execution. With a wealth of experience in interior fit-out projects across various industries, we bring creativity and precision to every detail, ensuring that each project reflects our client's vision and exceeds their expectations.

AIR CONDITIONING

Keeping your indoor environment comfortable and conducive to productivity is our priority at Smart Guide. With extensive experience in air conditioning systems installation, maintenance, and repair, we guarantee optimal performance and energy efficiency. From residential to commercial spaces, we deliver tailored solutions that ensure superior air quality and temperature control.

ELECTRICAL WORKS

At Smart Guide, our electrical services encompass everything from wiring installations to troubleshooting complex electrical issues. With a team of certified electricians, we deliver safe, reliable, and compliant solutions for residential, commercial, and industrial projects. Our expertise extends to lighting design, power distribution, and smart technology integration, ensuring seamless functionality and user convenience.

PLUMBING

From routine maintenance to intricate plumbing installations, Smart Guide offers comprehensive solutions to meet your needs. With years of experience in residential, commercial, and industrial plumbing projects, we guarantee quality workmanship and timely delivery. Whether it's repairing leaks, upgrading fixtures, or designing efficient plumbing systems, we prioritize reliability, efficiency, and customer satisfaction.

FIRE FIGHTING & FIRE ALARM

Safety is paramount, and at Smart Guide, our fire fighting and alarm systems are designed to protect lives and property. With a team of certified professionals, we provide comprehensive fire protection solutions, including installation, inspection, and maintenance of fire suppression systems and alarm systems. Our expertise ensures compliance with regulatory standards and peace of mind for our clients.

CIVIL

From infrastructure projects to building construction, Smart Guide's civil engineering services cover a wide range of projects with precision and expertise. With a focus on quality, safety, and sustainability, we deliver innovative solutions that meet the unique needs of each project. Our team of civil engineers, architects, and project managers work collaboratively to ensure timely completion and exceed client expectations.

Our Service

Interior Fit-Out Works

We specialize in comprehensive design and installation services for various spaces, including beauty centers, schools, offices, restaurants, commercial shops, clinics/hospitals, warehouses, and villas. Our offerings include:

- **False Ceilings:** Expert installation of Gypsum or 60 x 60 false ceilings.
- **Wall Partitions:** Precision-built partitions using Gypsum or Cement Board.
- **Flooring Works:** From Raised Floors with Carpets to Parquet & Vinyl, we cater to diverse flooring needs.
- **Acoustic Panels:** Supply and installation of acoustic panels to enhance ambiance.
- **Glass & Aluminium Works:** Innovative designs and installations to elevate spaces.

Civil Works

• We provide supply and installation services for civil works across various sectors, including beauty centers, schools, offices, restaurants, commercial shops, clinics/hospitals, warehouses, and villas. Our services encompass:

- **Block Walls with Plastering & Concrete Works**
- **Flooring Works:** Screeding for durable surfaces.
- **Painting Works:** Wall, Ceiling & Epoxy painting services.
- **Waterproofing:** Ensuring protection in wet areas.
- **Tiling Works:** Expert tiling for walls and floors.
- **External Interlock Pavement Works (PASCO)**

MEP Works

• I. Air Conditioning Works

We specialize in designing, supplying, installing, and maintaining HVAC systems for various structures, including high-rise towers, buildings, villas, offices, shed structures, and more. Our services cover:

- **Chilled Water Systems:** Design, installation, and maintenance.
- **Package Units & DX Systems**
- **Ductwork & Ventilation Works**
- **Refrigeration Plants:** Cold rooms, freezers, and cold stores.

II. Electrical Works

Our division manages a wide range of electrical works, including:

- **ADDC / DEWA Compliant Electrical Works**
- **Lighting & Power Installation with LV Switchgear**
- **Lighting Control Systems (LCP)**
- **Generators & Bus Bars**
- **Low Current Systems:** Tel/Data, CCTV, Access Control, etc.
- **Etisalat New Connections**

III. Plumbing Works

We offer expert design, supply, and installation of sanitary works for buildings, villas, warehouses, and industrial projects, covering:

- **Domestic Water Supply**
- **Drainage Systems**
- **Central Filtration Systems**
- **Central Heaters**
- **Pumps & Water Tanks**

IV. Fire Fighting & Fire Alarm Works

We handle all aspects of fire fighting and fire alarm systems, including:

- **Fire Fighting Equipment Installation**
- **Fire Alarm Systems:** Conventional or Analog Addressable
- **ADCD Approval Processes**

Our services adhere to the highest safety and efficiency standards, ensuring complete client satisfaction.

Business Strategy

At Smart Guide, our business strategy revolves around three core pillars: Innovation, Client-Centric Approach, and Sustainable Growth. These pillars guide our decision-making processes and shape our approach to every project and client interaction.

- 1. Innovation:** We are committed to staying at the forefront of industry trends and technological advancements. Through continuous research and development, we explore innovative solutions to address our clients' evolving needs. By embracing new technologies and methodologies, we enhance the efficiency and effectiveness of our services, delivering superior results and value to our clients.
- 2. Client-Centric Approach:** At the heart of our business strategy is a relentless focus on our clients' satisfaction. We prioritize open communication, transparency, and collaboration to ensure that we fully understand our clients' objectives and preferences. By tailoring our services to meet their specific requirements, we build lasting relationships based on trust and mutual respect. Our goal is not only to meet but to exceed our clients' expectations at every stage of their project journey.
- 3. Sustainable Growth:** Smart Guide is committed to long-term, sustainable growth that benefits not only our company but also our employees, clients, and the communities we serve. We approach growth strategically, seeking opportunities that align with our values and contribute to our overall mission. By investing in our people, fostering a culture of continuous improvement, and upholding the highest standards of ethics and integrity, we lay the foundation for enduring success and positive impact.

Through our unwavering commitment to innovation, client satisfaction, and sustainable growth, Smart Guide is poised to continue delivering exceptional value and quality in all aspects of our business.

The Process

1

Initial Consultation

We begin by listening carefully to our clients' needs, goals, and expectations. During the initial consultation, our team conducts a comprehensive assessment to gain a thorough understanding of the project requirements and constraints.

2

Planning and Design

Based on the information gathered during the consultation phase, our team develops a customized plan and design concept that aligns with the client's vision and objectives. We leverage our expertise and creativity to propose innovative solutions that optimize space, functionality, and aesthetics.

3

Execution and Implementation

With the plan and design finalized, we proceed to the execution phase, where our skilled professionals bring the project to life. Whether it's interior fit-out, air conditioning installation, electrical works, plumbing, fire fighting, or civil construction, we adhere to the highest standards of quality and craftsmanship.

4

Monitoring and Quality Control

Throughout the project implementation, we maintain close supervision and conduct regular quality control inspections to ensure that work is progressing according to schedule and meeting our stringent quality standards. Any deviations or issues are promptly addressed to minimize disruptions and maintain project momentum.

5

Completion and Handover

Upon completion of the project, we conduct a final inspection to verify that all work has been completed to the client's satisfaction and in accordance with contractual requirements. We then facilitate a seamless handover process, providing comprehensive documentation and support to ensure a smooth transition for the client.

6

Post-Project Support

Our commitment to client satisfaction extends beyond project completion. We offer ongoing support and maintenance services to address any questions, concerns, or issues that may arise after the project is handed over. Our goal is to build lasting relationships with our clients based on trust, reliability, and exceptional service.

Benefits

Benefits of Choosing Smart Guide:

1.Expertise and Experience: With years of experience in the industry, Smart Guide brings a wealth of knowledge and expertise to every project. Our team of skilled professionals is highly trained and dedicated to delivering exceptional results, ensuring that your project is completed to the highest standards of quality and craftsmanship.

2.Comprehensive Solutions: Whether you require interior fit-out, air conditioning, electrical works, plumbing, fire fighting, or civil construction services, Smart Guide offers comprehensive solutions to meet all your needs. Our diverse portfolio of services allows us to handle every aspect of your project, streamlining communication and ensuring seamless coordination.

3.Customized Approach: At Smart Guide, we understand that every project is unique, and we tailor our services to meet your specific requirements and preferences. From initial consultation to final delivery, we work closely with you to develop a customized plan and design concept that reflects your vision and objectives.

4.Quality Assurance: Quality is at the forefront of everything we do at Smart Guide. We adhere to the highest standards of quality and craftsmanship, utilizing premium materials and state-of-the-art technology to ensure superior outcomes. Our rigorous quality control processes and attention to detail guarantee that your project is completed to your satisfaction, on time and within budget.

Benefits

5.Efficiency and Timeliness: We recognize the importance of timely project delivery, and we are committed to completing your project efficiently and on schedule. Our streamlined processes, experienced team, and proactive project management enable us to minimize delays and optimize productivity, ensuring that your project progresses smoothly from start to finish.

6.Client Satisfaction: At Smart Guide, client satisfaction is our top priority. We strive to exceed your expectations at every stage of the project journey, from initial consultation to post-project support. Our dedication to open communication, transparency, and exceptional service ensures that your experience with us is positive and rewarding.

7.Value for Money: Smart Guide offers competitive pricing without compromising on quality or service. We believe in delivering exceptional value for money, providing cost-effective solutions that maximize your return on investment. With Smart Guide, you can trust that you are getting the best possible value for your money.

Choosing Smart Guide means partnering with a trusted and reliable provider who is committed to delivering excellence in every aspect of your project. Experience the difference with Smart Guide today!

OUR CLIENTS

SMART GUIDE WORKS WITH BELOW MANAGEMENT ORGANIZATIONS

CLIENT APPRECIATION LETTERS

Subject: Heartfelt Appreciation for Successful Completion of Antonia Pizzeria Restaurant Project @ Al Zeina, Abudhabi

Dear Smart Guide Team,

I am writing to express our sincere gratitude and appreciation for the outstanding work your team has done in successfully completing the civil, fit-out and MEP requirements for our Antonia Pizzeria Restaurant project.

From the inception of the project to its completion, your team has demonstrated exceptional professionalism, dedication, and skill. The attention to detail, adherence to timelines, and the quality of workmanship exhibited by your team have exceeded our expectations.

Your proactive approach to problem-solving and commitment to delivering within the specified budget has been instrumental in the smooth execution of the project. It is evident that your team's expertise and commitment to excellence played a crucial role in bringing our vision for the restaurant to life.

We also want to commend your team for their effective communication throughout the project. Regular updates, clear documentation, and the ability to address our concerns promptly have made the entire process seamless and enjoyable.

The successful completion of this project is a testament to your company's commitment to delivering high-quality results.

Once again, thank you for your hard work, dedication, and exceptional service. We look forward to the opportunity of working with you on future projects.

Best regards,

Simone Federici

To,
SMART GUIDE GENERAL CONT. & MAINT.,
Abu Dhabi, U.A.E

Subject: - Letter of Appreciation for Fit out & MEP works

We are writing this letter to appreciate to acknowledge Smart Guide General Contracting & Maintenance for their works on the successful completion of various projects within Reach British School Premises.

We are very pleased with the quality of workmanship and cooperative attitudes displayed by employees and management. Works are well scheduled and organized even when dealing with 'last minute' changes in tight schedules. Their team, expertise, knowledge and vendor affiliation were a great asset. They are trust-worthy with a strong work ethic.

We highly recommend their services and wish them good luck for their future endeavours.

Best Regards,

Sahilan Subramaniam
School Operations & OHS Officer

Lead. Learn. Inspire.

Subject: Appreciation letter for Successful Completion of BWL - Unit 13122, Level 03 @ Galleria Mall, Abudhabi.

Dear Smart Guide Team,

We are issuing this letter to congratulate your talented team on completing **Our project BWL - Unit 13122, Level 03 @ Galleria Mall, Abudhabi.**

Your team's diligence, self-motivation, and dedication to seeing the project through despite the unprecedented challenges speak volumes about your impeccable leadership and managerial skills. The project outcomes have surpassed our expectations, and I cannot commend you enough for setting such a high standard.

You can take immense pride that your hard work and unwavering commitment have culminated in such a remarkable accomplishment. I express my deepest gratitude for your invaluable contribution to the organization's success and for making this project possible. I am incredibly proud of your achievement and look forward to seeing more victories like this in the future.

Once again, thank you for your hard work and dedication. Your perseverance and effort have been truly admirable. Please accept this letter as a token of our appreciation for your hard work and success

Best regards,

Fares Alarmouti

Subject: Appreciation letter for Successful Completion of Sliced Pizza Restaurant @ Etihad Plaza, Abudhabi

Dear Smart Guide Team,

We / Sauce Capital, writing this letter to convey our appreciation for completing the **Sliced Pizza Restaurant @ Etihad Plaza, Abudhabi** project by your firm Smart Guide. Smart Guide has been assigned a project from Sauce Capital for the first time and Smart Guide team have performed exceedingly well. The project has been completed well before the deadline which was awarded to you. The inspection report of the project has elucidated the fact that the project has been completed as per the standards desired by Sauce Capital.

We appreciate Smart Guide for such an excellent work on our Slice Pizza Restaurant project. As client, we would be more than willing to share responsibility for work with Smart Guide in the coming future. We hope that the satisfaction for the completion of the work is same on your part. We are looking forward to further work relations with Smart Guide for new projects.

Best regards,

Fares Alarmouti

Subject: - Letter of Appreciation for Fit out & MEP works

We, **IOBM** would like to thank **M/S Smart Guide General Contracting & Maintenance** for excellent service provided for the Interior Fit-out & MEP works of our **Solyda Insurance Broker Office – 22C2 @ Tamouh Tower, Reem Island, Abudhabi-UAE.**

We would like to express our sincere appreciation for your service to us as one of our most reliable Fit-out & MEP specialists. Even since we signed our contract, Smart Guide has provided the highest quality products with even better customer service. Project Deliveries are often received earlier than expected, and Smart Guide team is quick to resolve any issues that arise.

We look forward to extending our business relationship with Smart Guide for years to come and hope Smart Guide will continue to provide such excellent service to us.

Wish you all the best & good luck for Smart Guide's future projects.

Re: Letter of Appreciation for Smart Guide General Contracting

Dear Smart Guide,

I am writing to thank you for the successful completion of our renovation works at Saadiyat Beach Villas, Saadiyat Island, Abu Dhabi.

The work has been completed to an extremely high standard and we are delighted with the quality of the finish. Your team has been dedicated and hard-working throughout the project and have worked long hours to ensure everything finished on the expected timeline. The management team have been transparent with pricing and flexible when dealing with new requests.

I would recommend your services to anyone, and wish you all the best for the future

Yours Sincerely,

A handwritten signature in black ink, appearing to be 'P Meiklejohn'.

Our Portfolio

At Smart Guide, we take pride in our diverse portfolio of completed projects, each showcasing our commitment to quality, innovation, and client satisfaction. Explore our gallery below to see examples of our work across various industries and service areas.

An aerial photograph of the Dubai skyline, featuring the Burj Khalifa as the central focal point. The image shows a dense cluster of skyscrapers and modern buildings, with a mix of architectural styles. The foreground includes some lower-rise buildings and green spaces. The sky is overcast with soft, grey clouds. A semi-transparent blue gradient overlay covers the bottom left corner, where the text 'Dubai Projects' is written in white.

Dubai Projects

Star International School Dubai

Project Scope: HVAC Works

Project Value: AED 200,000.00

Aquila School

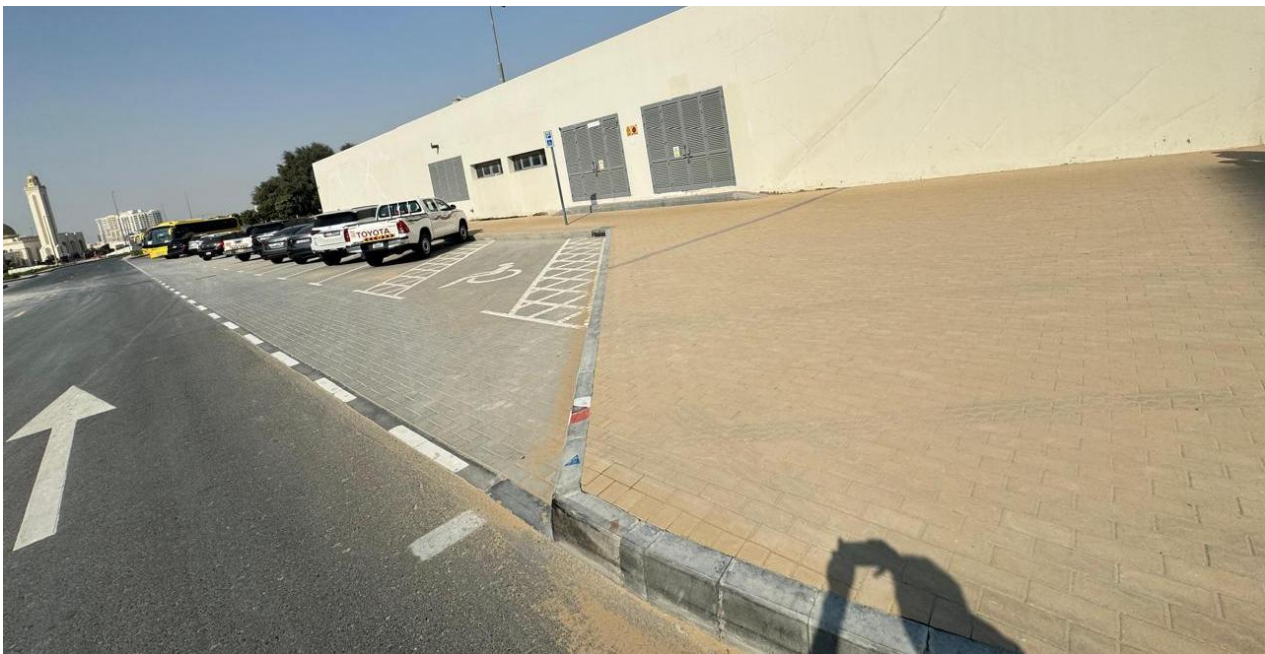

Parking Area Construction

Project Scope: Construction Of Entry/Exit & Pathway

Aquila School, Parking

Nibras International School, Dubai

Project Scope: Renovation works

Project Value: AED 1.07 Million

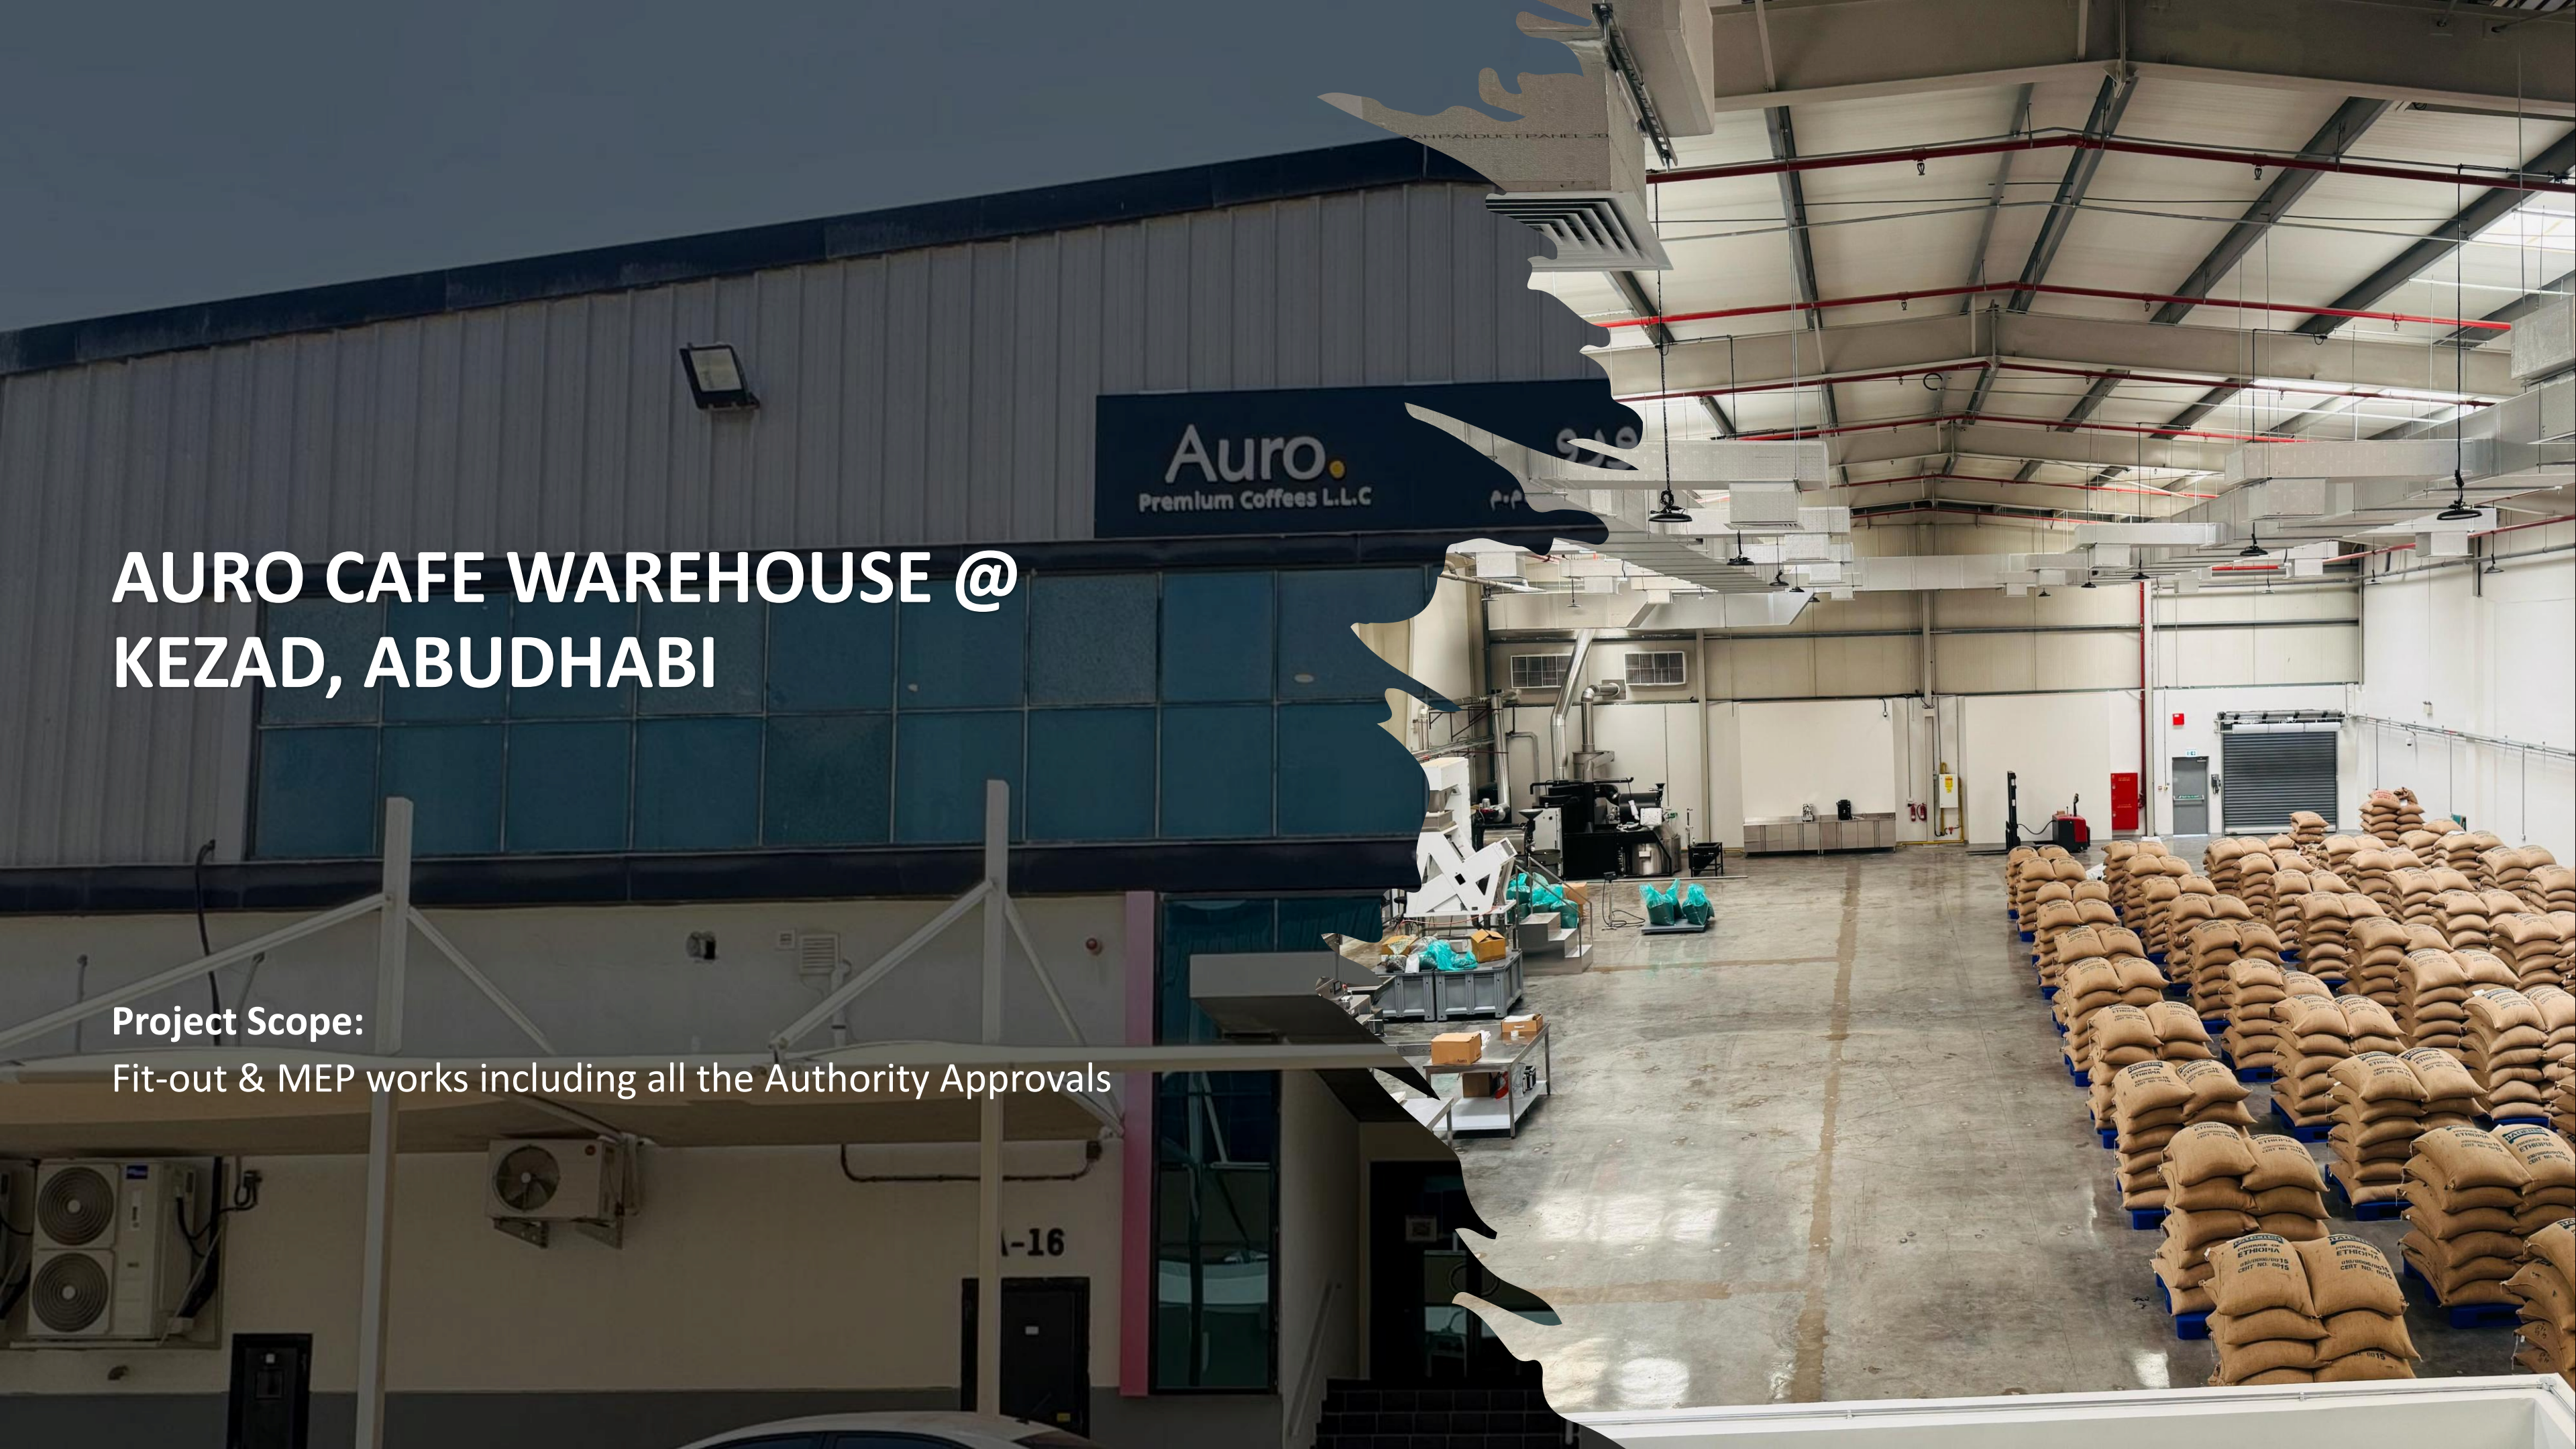

A wide-angle photograph of the Abu Dhabi skyline, featuring numerous skyscrapers and modern buildings along the coast. The city is viewed from across a body of water, with a clear blue sky above. The water in the foreground is calm, reflecting the light. A thin line of buoys or a breakwater is visible in the water.

Fish Story Abu Dhabi

Art Booth Gallery @ Capital Centre, Abu Dhabi

ArtBooth

The image shows the exterior of the Art Booth Gallery, a modern building with a curved glass facade. The name 'ArtBooth' is prominently displayed in large, dark, three-dimensional letters above the entrance. The glass reflects the surrounding urban environment, including other buildings and a clear sky. The building is situated in a well-maintained area with a paved walkway in front.
